Definition of Education system

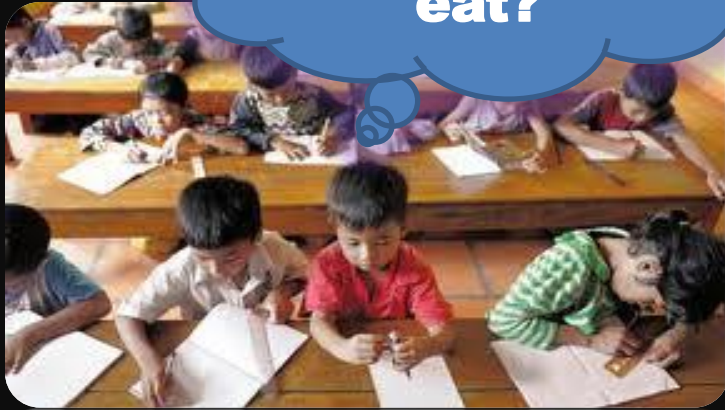

“In its technical sense , education is the process by which society deliberately transmits its accumulated knowledge, skills and value from one generation to another”

(Wikipedia, 2010, Internet)

Problem 1: Poverty

What am I
going to
eat?

Education system will not work
without students.

Problem 2: Insufficient resources

Inadequate qualified teachers

Lack of research facilities

Non-standard classrooms

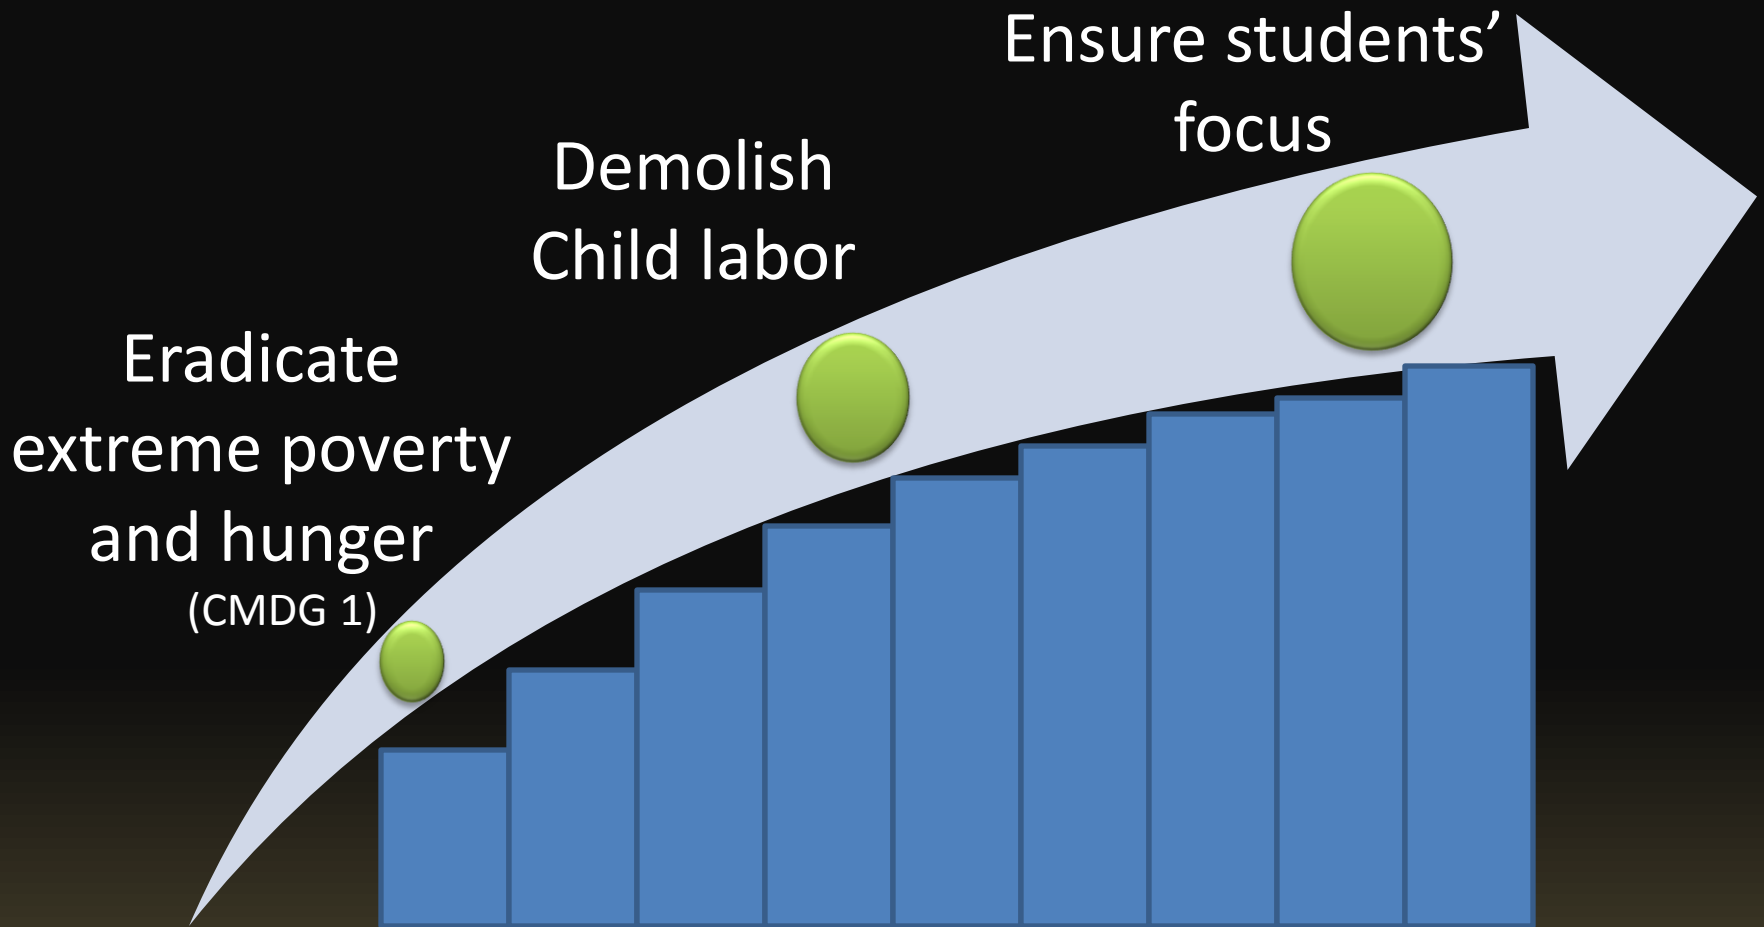

Problem 3: Corruption

“This year even after half a day of exams, the situation was shown to becoming worse and worse. Proctors collected between 5,000 and 30,000 riel in exchange for being able to look at notes”

**Mr. Rong Chhun,
President of the Cambodian Independent
Teacher's Association**

Solution 1:

CMDG 1 = Cambodian Millennium Development Goal 1

Solution 2:

Solution 3: Clearing Corruption
