

# Cambodia Education System

---

By Osakphea

# Cambodia Education System Problems

## Financial Problem

---

- Teacher's Low Salary
- Public Schools are Not for Free
- Not Enough Schools in Rural area

## Khmer Culture and Society

---

- Boys Study Further than Girls
- The Far Distance Between Home and School (rural area)

## Study Program

- 10 Subjects to Study

## Government

- Low Government Spending and Participation

# Solutions

- Increase Teacher's Salary
- Wipe Out Corruption
- Collaboration for Funds and Supplies
- Help the Poor
- Modify the Study Program
- More Government Spending on Education

This is the end of my  
Presentation.

Thank You!
